

Objective 8: Patient Electronic Access (VDT)

Note. Eligible Professionals must satisfy both measures in order to meet the objective.

Measure 1:

- **DENOMINATOR:** Number of unique patients seen by the EP during the EHR reporting period.
- **NUMERATOR:** The number of patients in the denominator who have access to view online, download and transmit their health information within 4 business days after the information is available to EP.
- **EXCLUSION:** Any EP who neither orders nor creates any of the information listed for inclusion as part of the measures except for 'Patient Name' and 'Provider's name and office contact information.

How to record in iSmart EHR. Measure 1.

1. To meet denominator requirements you should add Chart Record for a patient.
2. Regarding meaningful use EPs should provide a patient (authorized representative) access to his/her medical information. Click 'PATIENTS'.

The screenshot shows the iSmart EHR interface. The 'PATIENTS' tab is highlighted in red. A red arrow points to the 'PATIENTS' tab. Below the navigation bar, there is a search bar and a table of appointments for 09/23/2015. The table has columns for Time and Patient, with plus signs in the Patient column. A calendar widget is visible on the left side of the screen.

3. Find out the patient you need and click 'Edit' icon.

Measure 2:

- **DENOMINATOR:** Number of unique patients seen by the EP during the EHR reporting period.
- **NUMERATOR:** The number of unique patients (or their authorized representatives) in the denominator who have viewed online, downloaded, or transmitted to a third party the patient's health information.
- **EXCLUSION:** Any EP who: Neither orders nor creates any of the information listed for inclusion as part of the measures except for 'Patient Name' and 'Provider's name and office contact information'; or Conducts 50 percent or more of his or her patient encounters in a county that does not have 50 percent or more of its housing units with 4Mbps broadband availability according to the latest information available from the FCC on the first day of the EHR reporting period.

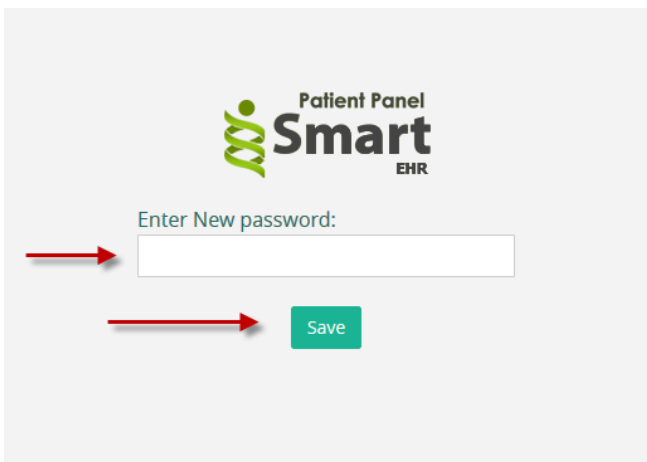

How to record in iSmart EHR. Measure 2.

1. Regarding meaningful use EPs should teach the patient/authorized representative how to access patient's medical information online. Open any web browser. Enter phr.wchsbs.com. Enter the patient's/ authorized representative's Username and Password.

The screenshot shows the login page for the Patient Panel Smart EHR. At the top center is the logo, which consists of a green stylized human figure with arms raised, followed by the text "Patient Panel Smart EHR". Below the logo are two input fields: the first is labeled "Login or Email:" and the second is labeled "Password:". Below the password field is a green "Login" button and a blue link that says "Forgot Password".

2. First interaction with the system requires you to 'Enter New Password'. Once new password is typed in, click **Save**.

The screenshot shows the "Enter New Password" page. At the top center is the same logo as in the previous screenshot. Below the logo is a text label "Enter New password:" followed by a white input field. A red arrow points from the left towards the input field. Below the input field is a green "Save" button, and another red arrow points from the left towards this button.
